

Clothes Taken By Burglar

A cat burglar snuck into the apartment of Michael J. K. Savage, 300 Palos Verdes Blvd., Tuesday night and stole his clothing which he had placed on a chair next to his bed, he reported to police.

Taken was his flannel dress pants valued at about \$5, and his pocket watch worth approx-

imately \$170, Savage said. The burglar, apparently wanting to be completely outfitted, also took Savage's shorts.

Nothing else in the apartment was disturbed. Savage told police he was not sure if he had locked his apartment's front door.

Army of 30,000 Being Mobilized To Handle Third Sabin Vaccines

Plans for mobilization of an army of some 30,000 trained volunteers to staff more than 350 public clinics were launched today by Los Angeles County Medical Association for the third and final round of its mass immunization campaign against polio.

As in the October and December clinics, where Types I and II of the Sabin oral vaccine were administered to approximately 3 million county residents, Type III will be made available to persons of all ages on consecutive Sundays, Feb. 3 and 10.

Dr. Reginald H. Smart, chairman of the public health committee of LACMA, emphasized that the decision to offer Type III Sabin vaccine was based upon recommendations of the United States Surgeon-General, Dr. Luther L. Terry.

DR. TERRY urged communities to proceed with the Type III vaccine, especially with children, who are most vulnerable to polio, and with all ages included in potentially "high-risk" areas, such as the Southland.

Plans for the Type III clinics, which will be held county-wide from 11 a.m. to 6 p.m., have been endorsed by the city and county health departments, which urged all-out community participation in the campaign to stamp out the

ancient crippling-killer disease.

EACH OF THE 350 clinics will be headed by a family physician with a staff of 25 nurses, pharmacists, clerical workers, guides, runners and other volunteers.

The vaccine is given on a sugar lump or in a sip of syrup, and a token 25 cent donation is requested, but none will be turned away for inability to pay.

Dr. Smart noted that persons who missed Types I and II may take Type III Feb. 3 or 10 and get the others later from their family physicians. He also pointed out that even persons who have had Salk shots are given Sabin for extra protection and to reduce the risk of being a carrier.

A former recording star for Liberty Records, both as a member of "The Cheers" and as a single under the name of "Ronnie Mason," La Canfora will form a new radio and television division for the agency.

Majors in Speech

Elizabeth Ann Collins, daughter of Mr. and Mrs. Maurice W. Collins of 23508 Susana Ave., is a candidate for a BA degree this month from the University of California at Santa Barbara. A homecoming princess in 1960, Miss Collins majored in speech. This month's graduating seniors will be officially awarded degrees at commencement exercises in June.

La Canfora New Vice President Of Shelly Firm

Patrick La Canfora has been named vice president of Shelly Advertising Agency, Port of Los Angeles, San Pedro.

La Canfora joined the firm in September 1961 as account executive.

La Canfora joined the firm in September 1961 as account executive.

Submits Painting

Marian Cummings of 3437 229th St., will submit her conservative water color painting "Low Cloud" for judging in the All California Art Exhibition which will be held in conjunction with the National Orange Show in San Bernardino, March 14 through 24.

Manager Speaks

Don Reining, manager of the Torrance Chamber of Commerce, spoke on "Economic Changes" Monday at a meeting of the Torrance Kiwanis Club.

I thought Spotty was kidding when he asked for it!

Senator Engle Seeks to Form Island Parks

Senator Clair Engle (D-Calif.) announced yesterday that he is preparing legislation to authorize a Channel Islands National Seashore off the coast of Southern California.

The Engle bill would promote wildlife conservation on all the islands, which are the home of elephant seals and many sea bird rookeries and would make possible their development for public recreation.

Recreational uses which Senator Engle has suggested include camping, swimming, fishing, hiking, yachting, nature study and possibly summer cabin leases.

THE PROPOSED park would include all or parts of Santa Rosa and Santa Cruz Islands and possibly San Miguel and San Nicholas Islands.

It would also include two small islands that are presently national monuments—Anacapa and Santa Barbara Islands.

Senator Engle said, "The need for more recreational lands for all the people grows every day in our nation—especially in California where the population increases by 1,600 new citizens daily."

"THE ISLAND climate is ideal off the Southern California coast. This is spectacular country and I want to see some of it declared a National Seashore before it is totally turned over to other uses."

"We are presently putting this legislation together. I think we can introduce it in the Senate soon."

The Channel Islands are opposite Santa Barbara, Ventura and Los Angeles counties. They range from about 15 miles off the coast to as much as 50 miles in the case of San Nicholas.

Senator Engle said the plan does not involve Santa Catalina Island which already is privately developed, or San Clemente Island which is held

by the U.S. Navy as a missile site.

SENATOR ENGLE is formulating his proposal with the assistance of the National Park Service. He also has been in touch with the Navy with respect to San Miguel which is held as a Naval Petroleum Reserve and a possible missile site. He said that the Navy and the Park Service has been working on the proposed plan to provide some recreational use on San Miguel—irrespective of the Senator's plan.

Senator Engle—along with the late Congressman Clem Miller (D-Calif.)—authored a bill signed into law last year making Point Reyes a National Seashore in Marin County in Northern California.

Federal legislation giving the Channel Islands National Seashore status would, first, give the Government authority to negotiate for purchase of the land on Santa Rosa and Santa Cruz Islands which are privately owned.

Telephones Broken Into

Two pay telephones at North High School, 3820 W. 182nd St., were broken into Monday night and an undetermined amount of money taken.

A pry bar and screw driver were apparently used to break into the telephones, police said. The break-in was discovered Tuesday morning by the custodian.

Worker Injured

Michael J. Spisak, 58, of Long Beach, was taken to Little Company of Mary Hospital recently when he fell from a scaffold at 20715 Osage. Spisak, a plasterer tender, was working on a building at the location.
